Hi Fred,

If there is a possibility to do it at another day and time between the 19 - 21 I will make myself available. The 26th is pushing it back a bit, but If that's the soonest available date, then let's confirm that.

Thanks,

mk

Hi Fred,

Thanks for getting back to me. Would it be possible to do it the following week? I am the lead on writing a couple of major grants that are due by the 12th and 13th and I anticipate being focused on uploading and dealing with possible technical delays on the 11th. So as not to re-schedule the day before, could we push the meeting to the following week? I will make myself available at a time that works for you that week. If that does not work, I will do my best to make the 11th work.

Thanks,

Regards,
Marie

Dear Fred,

Hope all's well. I just submitted the permit request to LAPD for Los Angeles Carnival Westchester event in October and wanted to include the Council Office in the development of the event.

I would like to set up a meeting with the Council Office, and other interested community stakeholders some time next week, or the following if possible. I am available any morning between 10 a.m. and 2 p.m. Please find application information attached.
